Education

University of Oslo
Aug. 2014- Aug. 2016

Master Degree in Informatics: Programming and networks: In my master thesis I will research ways of dealing with data transfer in contexts with varying connectivity to the internet and Android development

San Jose State University
Aug. 2012- Dec. 2012

One semester as an exchange student

University of Oslo
Aug. 2011- July 2014

Bachelor Degree in Informatics: Programming and networks: After a semester at Oslo And Akershus University College of Applied Sciences I figured out that I rather wanted to study at UiO and that programming was something I would like to continue doing

Skedsmo VGS
Aug. 2007- July 2010

Studiespesialiserende: Realfag

Work

March 2014 - Jan. 2015

IKT-Consulent at Sykehuspartner. I aided health workers in IT problems that arose in their hectic workday. I serviced those in need, in an efficient and polite manner, where the goal was to be able to help the most costumers at the time.

Dec. 2011 - Aug. 2012

Sales clerk at Shell/7-eleven, Tåsen. I mostly had the nightshift, where I strived to keep the shop at a desired standard. I made sure to refill all the products, clean and handle customers.

Oct. 2008 - Sept. 2011	Sales clerk at ICA, Alexander Kiellands gate. I had responsibility for the kitchen, lottery, sale, restocking merchandise and keeping the store up to standards.
Feb. 2008 - Aug. 2008	Sales clerk at Flateby Mat A/S, Flateby

Volunteering

2015	**JavaZone Volunteer:** Java Conference
Sept. 2015 - Current	**Founder & Boardmember of IFI-Sjakk:** Student organization working to create a chess community at the faculty
March 2015 - March 2016	**Founder & Boardmember of IFI-ProgNett:** Student organization working to promote a good learning environment among people studying programming and networks at UiO
Feb. 2013 - May 2013	**Founder & Boardmember of IFI-ProgNett:** PR-responsible
2013	**JavaZone Volunteer:** Java conference
2013	**Dagen@ifi:** Oslo's biggest IT-career day
